With reference to the attached memo from the Atg. D.C.P. there are only three files on record referring to persons of similar names. Two of these refer to Ralph S. Boyd who was convicted in the American Court in 1922 and who left for the States in 1926, and the other concerns C.F. Carpenter a British subject who obtained goods on credit from several local firms and who absconded in June 1926.

C.I.D. 3585
A. 702
A. 8263.

These files are attached and were not forwarded in the first instance as they do not appear to refer to the same person as Mr. Boyd Carpenter of whom there is nothing on record.

I seem to remember a man of this name who made himself generally obnoxious at a Race meeting some years ago and was removed from the Race Club Compound by either Tok or Lawrence. What I remember of the man was that he claimed to have a vast experience of a kind of racing in Australia & spoke with an Australian ~~[illegible]~~ accent that in status I think pock marked and was in some way connected with pearls or a dealer in pearls. I seem also to remember hearing later that he got into trouble up in the North Territory or Kimberley later and that they wrote down to us for information.

My dear Martin,

We have been asked for information concerning a certain Mr. Boyd Carpenter. He is understood to be a British subject and to have been in China at some time or other, but I have no further particulars, although the name seems familiar to me. Would you be so good as to ask whether any of your people know anything about the man?

Yours sincerely,

E.G. Jameson
